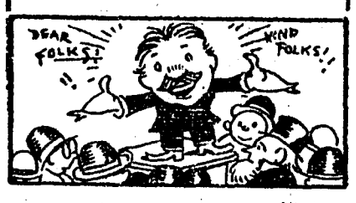
Poem by Uncle John

The first of all flim-flam merchant's jokes, is to wink at the crowd, an' call it "folks." Of course we remember an earlier day, when "folks" was the proper word to say—when human kinship was everywhere, and, most of our dealin's was on the square—Away back yander where memory dims, when "folks" and friendship" was synonyms; When hearts was as staunch as the towerin' oaks, O, them was the days when folks was folks.

But, here of late, it occurs to me, that "folks" aint the term that it used to be—I can't figger out but one result — it's vulgar an' coarse when it aint insult! The shell-game fakir and 3-card sport—and the tin-horn gambler are all of a sort, —You can look in their eye, an' detect the hoax, as they mount their goods-box an' call ye — "folks." The snide promotor is fair to see, but he can't put nothin' acrost on me—He may yapper an' spiel till the day he croaks—but the stuff's all off, when he calls me "folks."



THE TRUTH "—is also found in frank confession of error"

The Republican Press will be glad to receive and publish corrections of inaccuracies in its columns.

HE SUGGESTED WELL

THE other day Attorney A. L. Wessels forwarded to the Chamber of Commerce a letter in which, among other ideas for civic betterment, the following were advanced:

Use all lawful and proper means to induce the Board of Supervisors to abate the public and private nuisance maintained by the county on Perkins street adjoining the Masonic Temple, which premises are most unsightly.

Use all lawful and proper means to induce the Board of Trustees of the town of Ukiah City to improve and extend our sewer and water and lighting systems, as well as the northern and southern boundaries of Ukiah, and to improve our streets and sidewalks.

Set aside a week in the month of May as "Clean-up Week,' and impress upon our good citizens the advantages that will accrue to Ukiah, by cleaning up vacant lots, removing useless dilapidated fences and buildings, painting and otherwise improving their buildings and premises, where financial circumstances will permit.

Use all proper means to induce the Board of Supervisors to set aside a small part realized by this county from fines, or from other funds, to be used for exterior decoration of the courthouse, county jail and recorder's office.

Provide for a permanent organization composed of members of the Chamber of Commerce, to raise funds for, and to look after the cemetery grounds.

The streets and alleys and those lots not looked after by individuals should also receive the attention of some organized body.

The suggestions of Mr. Wessels are ones founded on the best kind of common sense and, if carried out, will materially help Ukiah.

THE OLD FAMILY DOCTOR

IN the course of an address recently Dr. Ray Lyman Wilbur, of Stanford University, congratulated the country on the return of the "family doctor."

In this age of specialization, for years the tendency in the medical profession has been for physicians to develop along some special line and in the process the old-time "general practitioner" seemed destined to pass away.

The doctor who watched over the health of the entire family, who carried the mothers through child-birth and then took care of the little ones in the illness of babyhood, doctored them through measles, whooping cough, mumps, chickenpox and to manhood and womanhood was thought to be a feature of the past.

He belonged to the day of the one-horse buggy and the nearly forgotten buckboard. He was the circuit rider of the country districts. As the friend, adviser and counselor he stood close to the affairs of his patients who were whole families. He assisted in carrying all the troubles of the district and its people. From the cradle to the grave he was always called upon in time of trouble.

Then came a time when the lines of specialization were tight-drawn. As a humorist once said, the chest doctor "stopped at the diaphragm." It took a group of doctors to care for the human ills.

It is pleasing to record that the men who will watch over the health of the family, the old "family doctor," whose advice in 90 per cent of the human ailments will be final, is not to vanish.

His scope will be widened by the automobile. His ability will be increased by the discoveries of science. But most of all it is important that the father-confessor and friend is to remain as an active element in American life. More power to the family doctor.

The writer recalls that at Santa Fe, New Mexico, years ago there lived a doctor of the old school—Dr. J. H. Sloan—and, in the course of his long practice, looking after people of the entire county, one day it became necessary for him to perform a very particular operation. Dr. Sloan, at that time, had no operating table, so he got a piece of oilcloth to cover the bed on which the patient lay and, using such surgical instruments as he possessed, went ahead with the operation. Later on it became necessary for a second operation to be performed and the patient went to Chicago to Dr. J. B. Murphy, inventor of the Murphy-Button and one of the greatest surgeons of all time, and to the writer Dr. Murphy said, after examining the work Dr. Sloan, performed on the bed, with an indifferent lot of surgical instruments, "What Doctor Sloan did has all the evidence of the hand of a real surgeon. It could not have been done better in any of the larger hospitals of the country."

And among the old school of physicians and doctors and the family doctors of today there were and are men of the highest ability and conscience—and there always will be, specialization or no specialization.

TO CELEBRATE

Coast City Promises Events Worth While On July Fourth

It has been several years since Mendocino celebrated the Fourth of July, but this year it is coming to the front and will have a five day celebration. The affair will be under the auspices of the Mendocino order of Redmen and will be called the Mendocino Pow-wow and Carnival.

James Holland was in Ukiah recently from San Francisco for a week-end visit with his parents, Mr. and Mrs. C. K. Holland.

District Attorney J. C. Hurley is on the coast, being called there on matters connected with his office.

MUCH ADVERTISING FOR THIS SECTION

Mendocino And Lake Issue Plenty Of Fine Boosting Matter

There is destined to be a big lot of publicity distributed this summer by this particular portion of Northern California. Just at this time The Republican Press is getting out an eight page folder-map for the Mendocino County Chamber of Commerce. The run is 20,000 and the work is two color. Harry W. Kemp, proprietor of Blue Lakes, who is always a good publicity source for Lake county and this portion of the state, is also having The Republican Press commercial department print for him an illustrated booklet containing eight pages. Mr. Kemp's order calls for 10,000 copies. On top of these parties are also figuring with The Republican Press to print for them a very handsomely gotten up edition boosting Mendocino county and which will probably consist of 40 or 50 pages and this edition, too, probably will run to 10,000 copies.

Yes, indeed, Mendocino county and northern California are to be advertised this summer.

RECOVERED AUTOMOBILE

City Marshal John Ruschetti's Good Work Locates A Machine

City Marshal John B. Ruschetti, of Fort Bragg, recovered a Dodge touring car that had been taken from Hermosa Beach in March by a party who absconded after making one payment on the machine, and took it to Fort Bragg. The man bringing the car was known as Homer Collingsworth, and he disappeared shortly after arranging with a rancher on the Sherwood road to care for the machine. Mr. Ruschetti recovered the car and notified the insurance company which had issued theft insurance upon it.

FARMERS EXCHANGE & BUREAU PROSPEROUS

Reports Show Mendocino Organizations Are Doing Very Well

Mendocino County Farm Bureau Marketing Exchange held its regular monthly meeting Wednesday, April 15. E. W. Stephens, marketing agent, and manager of the exchange, rendered a report of the business of the organization from January 1 to April 1 which showed a total volume of $42,879.87 for the first three months in 1925. Mr. Stephens also reported that the exchange has established trade connections where it now has a ready outlet for livestock of all classes, both fat and feeder, in straight or mixed carloads.

The exchange has also widened the scope of its operations to include Humboldt and Trinity counties as well as Lake and Mendocino.

Well Fixed Financially.

Mr. Stephens also emphasized the fact that not only is the exchange able to furnish a ready outlet for all classes of livestock, but is also in a position to meet competition and make settlement with its customers on either an f. o. b. shipping point basis, or weighed off cars at destination.

Better Off Than Before.

All directors of the board were present at the meeting, including Leslie E. Crawford, J. B. Bellatti, J. C. Johnson, L. L. Hooper and I. C. Burke. Mr. Hooper, president of the exchange, states the organization is now in a position to render even greater service to the farmers and stockmen of this territory and looks forward to 1925 being one of the biggest years of the marketing exchange since its inception.

The Mendocino County Farm Bureau held its regular monthly meeting on Wednesday, with all directors present. The directors each reported on the progress of farm bureau work in their respective localities and the status of the various projects conducted in their communities.

Would Divide Districts.

Leslie E. Crawford, chairman of the coyote control committee, reported the committee favored the districting of the county in possibly six or seven districts and the budgeting of the money to be used in coyote control work and to hire men as they were needed. The report of the coyote control committee was unanimously adopted by the board.

Acted On Bad Bill.

The legislative committee reported it had met and taken action relative to Senate Bill 136, which aimed to limit the number of loaded or empty cars to be hauled by the railroads. This bill, if passed, would be very damaging to the fruit industry of Mendocino county and the committee reported telegrams were sent to Senator Handy and Assemblyman Melville signifying opposition of Mendocino county farmers to this bill. The committee also reported Senator Handy and Assemblyman Melville were making every effort and using every influence possible to prevent the passing of the bill.

Spoke On System.

L. W. Fluharty, of the extension division of the University of California, spoke to the board on farm management and keeping of farm accounts.

AN INFLUENZA VICTIM

Frank Bowen, Fort Bragg resident and former well-known resident of Round Valley, died in the coast city, Saturday morning, following an illness due to influenza. The funeral service was held yesterday morning in Fort Bragg under the auspices of the Redmen.

Has Too Much To Do.

E. W. Stephens, due to the business of the exchange demanding so much of his time, tendered his resignation as secretary of the Farm Bureau, which was unanimously accepted in order that Mr. Stephens might devote all of his time to the work of the Marketing Exchange.

Gossip and Comment on the Week's Theatrical Events

"Bonomo, The Great," In The Circus Mystery Steals One's Very Breath

"Bonomo the Great," as he is known in athletic and adventure picture circles, is coming to The State Theatre Saturday in the first episode of "The Great Circus Mystery," a 10-chapter thriller.

Acclaimed as the strongest man of the world only a short time ago, Bonomo keeps himself in trim by constant exercise so as to be able to meet all challengers at a moment's notice. In this production he is called upon to perform many daring stunts and feats of strength. The background of the story is the colorful life about a circus. A strong story leads from the picturesque to this American circus. Jay Marchant, director of many big features, is also responsible for "The Great Circus Mystery." Louise Lorraine, Robert Seiter, Slim Cole, Robert Graves and other favorites support.

"The Devil's Cargo" Is A True Story Laid In The Argonaut Days Near Sacramento

Life in the early California gold camps was not merely a series of fistic brawls, lynchings, and battles with Indians. Every man was particular to attend strictly to his own business. This information was gleaned by Victor Fleming during the production of his latest Paramount picture, "The Devil's Cargo," due Sunday at The State Theatre. The story is laid in Sacramento in 1850. "Life in the gold camps was unusually quiet," one old-timer told Fleming. "An argument always ended in a few moments with one of the debaters being carried away feet first with a few chunks of hot lead in his ribs. Everyone knew this and everyone was careful about mixing into another's affairs.

Is A Sacramento Tale.

"The Devil's Cargo," adapted for the screen by A. P. Younger from the story, "The River Boat," by Charles Whittaker, duplicates the little pioneer town of Sacramento as it really was 75 years ago. Cut off from the rest of the world, the only communication with neighboring San Francisco being by means of stage coach. Pauline Starke plays the part of Faro Sampson; William Collier, Jr., is young Joyce and Claire Adams appears in the role of his sister. Wallace Beery, said to have the greatest role of his screen career in this picture, plays Ben, a stoker on the river boat. He starts no end of trouble by trying to force his drunken attentions on Faro and kicks Joyce around unmercifully when he attempts to interfere.

Other big names in the supporting cast include Raymond Hatton, Dale Fuller, George Cooper, "Spec" O'Donnell, Emmett King, John Dillon and Louis King.

WHAT KIND OF GIRL DO THE BOYS LIKE?

Colleen Moore In "The Perfect Flapper" Is Sure To Tell You

The girl of today, herself a problem, has her own problem to face: "What kind of a girl must I be to be the sort of a girl the boys want me to be?" This is the theme of "The Perfect Flapped," Colleen Moore's new starring vehicle, which is to be shown at The State Theatre next Tuesday and Wednesday. The modern girl is thoroughly diagnosed and analyzed by Jessie Henderson, the author, John Francis Dillon, the director, and Colleen Moore, the star. The result is said to be a picture which outdistances "Flaming Youth" as an epic of the jazz age.

Support Is Superb.

In the role of Tommie Lou Pember, Colleen Moore finds and lives up to her greatest opportunities. She has been surrounded by a superlative cast of all-star calibre with such brilliant lights as Sydney Chaplin (brother of the immortal Charlie), Phyllis Haver, celebrated Mack Sennett bathing beauty, Frank Mayor, star in his own right, and many others of note. John Francis Dillon, the director, is in special prominence these days due chiefly to his remarkable handling of Miss Moore's previous success, "Flaming Youth" and Corinne Griffith's "Lilies of the Field."

A "GOLD-DIGGER'S" METHODS ARE SHOWN

"Tarnish" Tells Story Of Manicurist's Life Hunting Money

Marie Prevost, May McAvoy and Ronald Collman, three well-known film players, portray the leading roles in the George Fitzmaurice production, "Tarnish," which is to be shown at the State Theatre tomorrow.

The Money Lover.

As Nettie Dark, the gold-digging manicurist, Miss Prevost will be seen in a part that is distinctly unusual. Around the manicurist centers a great conflict between two young lovers, in addition to a domestic tangle, in which a doddering, but dandified old man, forgets his better self in order to appease his desire for excitement. Miss McAvoy portrays the role of the girl in the romantic web. Upon her rests the burden of untangling the domestic mesh and the conflict she has with her lover, played by Mr. Colman. When the hue in her love affair turns to a tarnish and she learns that her lover has had an affair with the manicurist, she breaks her engagement. It is then that Carr realizes he loves the girl more than anything else in the world, and he compels the manicurist to "square him with the sweetheart." "Tarnish" is a comedy drama of everyday life, principally that of youth. It reveals certain issues in life, with a sober, simple, yet sweeping grasp, bringing to light the fact that lust may tarnish, but that tarnish can be cleaned away.

Other prominent players in the cast include Norman Kerry, Harry Myers, Priscilla Bonner, Albert Gran and Mrs. Russ Whytall.

NOTICE

After the first of May those who want garden or yard work done must absolutely have the money at the house when the work is done, as it takes too much time running around after small amounts.

SILENT WATCHER IS DISTINCTLY GRIPPING

Opportunity For Clever Acting Is Seized By Famous Actors

"The Silent Watcher," featuring Glenn Hunter and Bessie Love and adapted to the screen from Mary Roberts Rinehart's "The Altar on the Hill," has been announced as feature attraction at The State Theatre Friday.

One Of Year's Successes.

Frank Lloyd, producer-director of "The Sea Hawk," "Black Oxen" and other recent screen successes, has transferred the Rinehart narrative to film as a First National, and, according to pre-viewers, the picture stands out as one of the distinct dramatic achievements of the year. Glenn Hunter, famed for his stage creation of Merton in "Merton of the Movies," and featured in several motion picture successes of the past two years, plays the part of Joe Roberts, the secretary. Bessie Love, whose work in "Those Who Dance," "Sundown," "Woman on the Jury" and "Human Wreckage" cannot soon be forgotten, has been cast as Mary Roberts, Joe's sweetheart. Hobart Bosworth plays the character of Senator Steele, and Alma Bennett, recently seen in support of Corinne Griffith in "Lilies of the Field," portrays Lily Elliott, the show girl. Gertrude Astor, Lionel Belmore, DeWitt Jennings, Aggie Herring, George Nichols and Brandon Hurst are among the other members of the supporting cast.

LONG A JUDGE

Judge F. A. Whipple, who for almost half a century has served Fort Bragg as justice of the peace, was in Ukiah Friday on court matters. Judge Whipple has a sense of fairness in handling court matters which has won for him the reputation of being one of the best justices of the peace in Mendocino county.

GIBSON'S FILMS AT PENDLETON RUN TRUE

Scene Is Laid At Rodeo In Oregon And "Let 'Er Buck" Is Great

It is contended for "Let 'Er Buck," Universal-Gibson special coming to The State Theatre Saturday with Hoot Gibson as star, that never before has a picture been made in such an elaborate atmosphere. It is not contended that other pictures have not cost more to produce, but it is contended that if the extras and the settings used in connection with the filming of this picture had been paid for as part of the expense the picture would have cost more than any other picture ever filmed.

Originated In Oregon.

And all this because "Let 'Er Buck" was made in Pendleton, Oregon, while that city's famous Annual Round-Up was in progress. In consequence there was available for atmospheric purposes a collection of the most skilled cowboys, the most vicious bucking horses, the danger-wisest steers and a host of other elements all of championship standing when it comes to sports of the cattle range.

"Shot For Story."

Many of the daily events on the three-day program were filmed to be incorporated into the action of the picture story, and there are times that the film shows the entire huge arena, with horses sending cowboys flying through the air, steers being roped or bulldogged, the while thousands looked on from the grand stands. Hoot Gibson is a favorite among the riders who assembled at Pendleton, for in 1912 he won the all-around championship there. Further, several of the Universal Ranch Riders in the company are old-time participants in the Round-Up sports and they were entered in a number of the events on the program.

The supporting cast of "Let 'Er Buck" includes Marian Nixon, Josie Sedgwick, G. Raymond Nye, Charles K. French, Fred Humes and William Steele.

Carl Purdy, famous horticulturist of this city, is in receipt of a postal card that reached him this week addressed to "Grower of California Wild Flowers, Address unknown." The incident seems to point out Mr. Purdy's fame is not unknown to employes of Uncle Sam's mail service. The card was mailed from a small station in southern California. The occurrence of the postal card is not unusual however as Mr. Purdy has received similar ones from points as far away as Europe.

RESIGNED POSITION

Traffic Officer Pettis Has Quit—Royal Ryder Is Named

Traffic Officer Ed Pettis has resigned the duties of his office, the same to take effect May 1. The resignation was accepted by the board of supervisors and Royal Ryder, of Potter valley, former police officer of San Francisco, has been appointed to the position. Mr. Pettis, who has been a competent official gives as his reasons for the resignation the stress of private matters including the management of his ranch at Talmage, and the unpleasantness connected with the position in the matter of arrests of local friends and neighbors. Mr. Ryder is well fitted for the duties of the office by reason of his long service on the police force of San Francisco.

Booneville Baseball Is Already On In Earnest

BOONVILLE, April 19.—The Boonville baseball team is starting the season well and bids fair to have a good series of games. Both games played with the Yorkville nine were won by the local team, although Yorkville made the local boys step lively until the last ball was thrown. Much interest is being shown here in the team, which is made up of young players, all eager to improve with practice, and a fast team will be developed to put Boonville on the map among the small town ball clubs.

Want New Uniforms.

The boys will give a dance shortly in order to raise funds to purchase new uniforms which are needed badly. Watch The Republican Press for news of a fast ball team from a small town. The line-up for the two games with The Oaks of Yorkville was as follows:

A. D. SHORTT ESTATE IS BEING BEAUTIFIED

Famous Carl Purdy Is Making Ranch Lovely With Many Flowers

Extensive planting of beautiful and unusual plants is being done this month on the A. D. Shortt ranch by Carl Purdy, local horticulturist of world-wide fame.

To Be Real Beauty Spot.

Mr. and Mrs. Shortt have given the noted landscape gardener carte blanche and the result promises to create the most beautiful gardens north of San Francisco. In addition to wide lawn spaces a hedge of hardy plants will create a continual bloom and grape fruit, oranges and lemon trees will grace the space back of the rose garden where every variety of rose known to garden lovers will bloom.

To Have Unusual Trees.

Special protection will be given the semi-tropical plants as both Mr. and Mrs. Shortt wish to show their eastern and southern friends the climate of their new-found home can with intelligent care produce every variety of plant.

Expense Is Not Considered.

Already one carload of roses, vines and shrubs has arrived, with more to follow. In addition Mr. Shortt is having terraces graded and ornamental stone work constructed and is sparing no expense to make the estate one of the show places of the country. The road leading from the Redwood Highway to the Shortt home has recently been widened and graded, in addition to which 40 acres of pears have been planted.

Doing His Full Share.

Perhaps no other man in the county, by reason of private and public enterprise, is doing more to advertise Mendocino county to the world.

A. Perelli-Minetti, after a short visit with his family here, returned Thursday to Delano, Kern county, where he is putting out a vineyard of several thousand acres. Mr. Minetti and the Messrs. Tribuno are interested with President DeGorgio, of the Earl Fruit Company, in the enterprise.

Caspar Ornbaun, prominent San Francisco attorney, was in Anderson valley over the week-end looking after property interests.

DAY SERVICE STARTING

Train Accommodations To The Coast To Be Much Improved

The day passenger service of the California Western Railroad will be resumed May 1st. Time tables are now being printed which show the schedule to be exactly the same as the one discontinued January 12. With the coming of summer and the great number of campers along the Noyo, this additional service will be greatly appreciated by them as well as the public in general. While the night train has been taking care of things in good shape, the traveling public had looked upon the day passenger service as an institution and its loss was keenly felt by many who will welcome its replacement.

Former Resident Now Commander In Navy

Mr. and Mrs. C. A. Bernhard drove to Berkeley Thursday, where Mr. Bernhard attended a convention of Federal Farm Loan secretaries and officials called by the Federal Land Bank of Berkeley to consult with officials of the Farm Loan Board from Washington as to land values and other matters concerning Federal Farm Loans in California. Mrs. Bernhard visited her sister, Mrs. George Ketch, in Oakland.

On Saturday Mr. Bernhard had a very delightful visit with his brother Lieutenant Commander Alva D. Bernhard, who is in command of the U. S. destroyer Litchfield. Mr. Bernhard had not seen his brother in more than 22 years, consequently the visit, although of necessity short, was very pleasant and enjoyable to both men. Lieutenant Commander Bernhard formerly lived in Ukiah, having once been in the employ of former Judge McGarvey, Chris Beckley, James Stitt and others. After leaving Ukiah he entered Kansas University where he remained for two years doing work of such high order he was offered the appointment to Annapolis naval academy, which he accepted. In the naval academy he specialized in naval construction and is now recognized as an ordnance expert. Although now in command of the destroyer Litchfield, which is one of our newest destroyers, he is assigned for special duty in the coming maneuvers of the fleet off the Hawaiian Islands. From there he goes to China, thence to Australia, and back to San Francisco about next January. When Lieutenant Commander Bernhard returns to San Francisco it is his intention to visit his brother and other friends in Ukiah.

Titus Strong, who is greatly interested in having a road opened on the east side of Russian river, was in the city Friday afternoon from his ranch.

Mrs. Anna Porterfield, of Sebastopol, former superintendent of schools of Mendocino county, was in Ukiah over the week-end attending the convention of the Fourteenth District P. T. A.

PUBLIC SCHOOL WEEK TO BE OBSERVED HERE

6th Annual Observance By Masonic Lodges Occurs May 12

The sixth annual observance of "Public Schools Week" by the Masonic lodges of California will take the form locally of a program to be given in the lodge room of the new Masonic Temple Tuesday evening, May 12, at 8 o'clock, to which the public generally is invited.

The program as at present tentatively arranged will be as follows:

Selection by high school orchestra.

"What We Teach and Why We Teach It," a 30-minute address by Charles M. Fulkerson, principal of the Ukiah high school.

Selection by high school orchestra.

Vocal solo.

"The Cost of Increased Efficiency in Elementary Schools," a 30-minute address by Roy Good, county superintendent of schools.

Selection by high school orchestra.

Round table discussion of educational matters, with a time limit of five minutes to each individual, and not to exceed 30 minutes in the aggregate.

There will be dancing from 10 to 12 o'clock, with music furnished by De Motte's orchestra, and provision will be made for the playing of cards by those who do not dance.

What Aims Are.

Although this observance is in pursuance of a proclamation issued by the Grand Master of the Masonic lodges of California, it is not for the benefit of the Masonic fraternity, but is solely in the interest of the public schools. The purpose of the meeting is to focus the attention on problems, a constructive discussion of which may result in benefit to the local public school. The primary objective will be to afford the public in general, and the parents of school children in particular an opportunity to become advised and informed of the real condition of the public schools, with particular reference to some phases of our public school system that have been widely discussed and frequently criticized.

Chance To Inspect Temple.

It is the hope of those sponsoring this occasion that this meeting will be well attended, not only by those having Masonic connections, but also by any other persons in the community interested in the subject to be discussed. The meeting will also afford an opportunity to many who have not yet viewed the beautiful interior of the local Masonic Temple, to say nothing of an opportunity of enjoying the hospitality of local Masons.

DIED AT HOLLYWOOD

Former Resident Of Ukiah Is Called While In The South

Word reached Ukiah last week of the death of Yda Waldrop, former resident of this city and brother of Uda Waldrop, famous musician of San Francisco. Mr. Waldrop was the youngest son of Rev. J. Waldrop, at one time pastor of the local Baptist church, and his death occurred at Hollywood, April 11. The funeral service was under the auspices of the American Legion at Hollywood and full military honors were accorded the young man.

Ridgewood Ranch To Get Irrigating System

The Charles S. Howard Co., owners of Ridgewood Ranch, have filed an application for a permit to appropriate water with the State Department of Public Works. The application asks for a permit to take 4.46 cubic feet per second and 300 acre feet per year from Forsythe (Walker Valley) Creek, tributary to Russian River, to be diverted in section 18, township 17 north, range 13 west, M. D. M., for irrigation of 357 acres at an estimated cost of $23,000.

Resolutions Of Sorrow

Hall of Cahto Lodge No. 206, I. O. O. F., Laytonville, Calif., April 11, 1925.

Whereas: In His infinite wisdom, the Supreme Ruler of the Universe has seen fit to remove from our midst our beloved brother, J. A. Vassar; and

Whereas: His long and intimate association with the members of Cahto Lodge makes it befitting that we record our appreciation of him; therefore be it

Resolved: That the removal of our brother leaves a vacancy that will long be realized by the members of Cahto Lodge and will be a grievous loss to the community;

Resolved: That with deepest sympathy for the bereaved family, we express the earnest hope that even so great a loss may be overcome for good by Him "who doeth all things well."

Resolved: That a copy of these Resolutions be spread upon the minutes of the Lodge and that a copy be mailed to the family of our departed brother.

LOST THE GAME

The Ukiah high school lost the second league game of the season to Lakeport Friday afternoon by a score of 4 to 1. The Ukiah lads held their own until the third inning, when Lakeport took control and kept it until the end. The game was held on the high school athletic field where Upper Lake went down to defeat recently before the local boys in the first league game played here.

Mrs. A. A. Lord, wife of a Fort Bragg bank official and who had been serving on the grand jury, returned to the coast Wednesday evening, going by stage to Willits and from there on the train to Fort Bragg.

Berries To Be Plentiful Along Coast Shortly

Barring a killing frost this will be a great season for fruit in the Noyo Valley. Huckleberries, blackberries, raspberries, apple, pear and peach trees and bushes are all loaded with blossoms.

Many Here Poison Themselves Daily!

Carelessness of Modern Living Results in Digestive Disorders, Sick Headache, Gas, Biliousness—Dr. H. S. Thacher's Remarkable Prescription Relieves Many

A neglected liver can often cause more trouble than a bottle of poison. When the liver is clogged and inactive, it fails to secrete the juices necessary to digestion and elimination. Worst of all, it fails to purify the blood properly. When this happens annoying symptoms tell you that a state of self-poisoning exists in your body.

Symptoms Lead To Sick Bed.

It explains why a sluggish liver is attended by such symptoms as constipation, biliousness, sick-headaches, sourness and gas on a weak stomach, loss of appetite, pains in the back and sides, and a nervous, run-down condition—symptoms that lead to the dangerous and expensive sick-bed unless corrected in time.

Dr. H. S. Thacher, noted medical practitioner, perfected a wholesome vegetable prescription to keep the liver healthy. It is giving quick relief and renewed strength, energy and vigor to numbers here. This prescription, known pharmaceutically as Dr. Thacher's Liver and Blood Syrup, doesn't cost much, is pleasant to take and contains only ingredients that are known to physicians for their corrective and health-building properties.

Notice Quick Difference.

Try this great prescription yourself. Notice the quick difference in the way you look, eat, sleep and feel. You will be completely satisfied; otherwise, there will be no cost.

Dr. Thacher's Liver and Blood Syrup is sold and recommended by Morris Drug Company and all leading druggists. 46-2t

CHILD WELFARE

(Continued from page 4)

tion. Home standards should be raised and children should be given an opportunity in the home and, instead of following the heart the speaker urged mothers to qualify themselves for the great gift of parenthood.

Banquet At The Palace.

Friday evening was the outstanding session of the convention. The banquet and symposium was held at The Palace Hotel, 75 of the 80 delegates attending. Community singing, led by Mrs. E. W. Stephens; selections by Ukiah orchestra; short talks by Dr. Ellen Standmuller, child hygiene secretary; Dr. Joseph V. Breitweiser, U.C., and Mrs. Hugh Bradford and a group of solos by Mrs. Stephens concluded the entertainment at the hotel. The convention then adjourned to the school auditorium to hear the address of Dr. Breitweiser. Preceding his appearance the choral section of the Saturday Afternoon Club sang several delightful numbers. Mrs. Hale McCowen, Jr., president of the club, welcomed the visitors and introduced the speaker, who spoke on "Americanization," saying Americanization does not mean amalgamation but it does mean utilization of the capacities and peculiar gifts that foreigners are able to bring to the United States.

1926 Convention.

Petaluma will be the convention city of the 1926 meeting of the 14th district P. T. A. The invitation was extended Saturday at the last session of the Ukiah conference of Parent-Teachers, and was enthusiastically accepted.

Another important business matter taken up was the election of a member of the state nominating committee. Mrs. James Skee, retiring president of the 14th district, was chosen for this important place.

The officers of the 14th district elected Friday morning were installed Saturday afternoon by State President Mrs. Hugh Bradford. The personnel of the corps of officers is as follows:

President, Mrs. C. Francis Reilly, Santa Rosa; first vice-president, Mrs. Louis Hofman, Ukiah; second vice-president, Mrs. Ethel Herron, Healdsburg; recording secretary, Mrs. Edith Hawkes, Fulton; corresponding secretary, Mrs. Clifton Gillet, Santa Rosa; financial secretary, Mrs. Cecil Schlegner, Santa Rosa; treasurer, Mrs. H. O. White, Sebastopol; historian, Mrs. E. J. Cameron, Petaluma; parliamentarian, Mrs. Jerome O. Cross, Santa Rosa; auditor, Mrs. George Burlingame, Sebastopol.

Resolutions Defeated.

The second reading of the resolutions Saturday morning brought forth spirited comments and dissertations. The resolution endorsing Senate Bill 240-Harris, to reduce the number of studies in elementary schools, was defeated because the delegates being mostly mothers, and not teachers, did not feel themselves familiar enough with the curriculums of schools to express an opinion.

The resolution endorsing Senate Bill 336, which provides for a committee to investigate the needs and welfare of California Indians, was defeated because no reference was made to the expenditures of the appropriation involved, and because L. A. Dorrington, state inspector of Indians, disapproved the measure.

The endorsement of Assembly Bill 777 for the appropriation of $150,000 for the Women's Industrial Farm also women, who considered it a waste of time, since Governor Richardson has anounced the bill will be vetoed, if passed.

The delegates disapproved of and voted down the endorsement of the following resolution relative to Will Hays motion picture committee:

Resolved, that the 14th district Parent-Teachers Association, in annual convention assembled in Ukiah this 17th day of April, 1926, approves and appreciates the constructive program of Will H. Hays to eliminate daring and unsavory films from the programs of the motion picture theatres, and

Resolved, that the members of this association, as individuals co-operate therein by supporting all good films and encouraging their local theatre managers to bring more and

Resolved, that the above resolution be forwarded to Mr. Hays.

Resolutions Passed.

Favorable action was taken on the resolution to endorse and recommend for passage Assembly Bill 872, to amend the part-time educational law; Senate Bill 337, to make an appropriation of $100,000 for emergency relief of the Indians in California; Senate Bill 180, the narcotic rehabilitation act. The following resolution of thanks for courtesies received during the convention, was enthusiastically passed by the delegates:

Whereas, the West Coast Transit Co. has given special rates for the 14th district Parent-Teachers Association, and has extended special courtesy to the district president and the state president;

Whereas, the Northwestern Pacific Pacific Railway Co. has given special rates for this convention;

Whereas, the Kosmos Club of Ukiah has added to the pleasure of the convention by artistic decorations;

Whereas, the Saturday Afternoon Club has decorated the auditorium and arranged a most interesting evening program;

Whereas, The Ukiah press has been generous with its publicity;

Whereas, the president and members of the Ukiah Parent-Teachers Association have extended their gracious hospitality;

Whereas, the Ukiah Chamber of Commerce has assisted in securing a speaker for the evening program, has provided badges and programs, and has been untiring in its efforts to make this convention a success;

Therefore, be it resolved, that the 14th District Parent-Teachers Association in convention assembled express our most sincere and hearty appreciation to those organizations which have provided so successfully for our comfort and enjoyment.

And be it further resolved, that a copy of these resolutions be sent to each of the above organizations.

District Board

The final meeting of the district executive board has been postponed from the second Tuesday in May to the second Thursday in June, June 11th, owing to the state convention that will be in session at Fresno the second week in May.

ORATORIO SOCIETY TO BE PERMANENT BODY

Fine Reception Given Singers Recently Had A Good Result

The Ukiah Oratorio Society, which was organized tentatively here several months ago, held a meeting Thursday evening in the lecture room of St. John's M. E. church at which time permanent organization was effected.

To Interest Young Folk.

More than 50 persons were present at the meeting and enthusiasm ran high. It is the intention of the society to create and maintain a high standard of interest in the better class of music and special efforts will be made to interest the young folk of the community.

At Thursday evening's meeting a board of directors was elected, the same to elect a chairman who will also serve as president of the organization. Ewart Mitchell was appointed secretary-treasurer of the society and the following will act as members of the board of directors: E. J. Anderson, Will Van Dyke, C. M. Fulkerson, P. H. Joseph, E. J. James, Mrs. Florine Lynch, Mrs. H. O. Cleland, Mrs. E. W. Stephens and Mrs. Mabel Ames Smith.

Clifford Wayne Crawford and Mario Perelli-Minetti were guests of Miss Marian Whitney at the University track meet, motoring down and enjoying the events greatly.

Mrs. Hale Prather and children, of Mill Valley, are visiting relatives here this week.

Hopland Happenings

HOPLAND, April 20.—The formal opening of the Pomo Inn was celebrated by a dinner dance Saturday evening. Table reservations were sold out several days previously. Music was furnished by an orchestra of three pieces. Speeches and special numbers, including fancy dancing and accordeon solos, interspersed the dancing. Many guests came from San Francisco. Ukiah was represented by Judge and Mrs. H. L. Preston and several others. On the Wednesday evening previously the hotel management gave a housewarming which was free to the public and which included dancing from nine to 12 o'clock and a midnight supper.

The Hopland high school baseball team defeated the Lakeport high school team by a score of 14 to 1 at the high school athletic field Tuesday afternoon.

Mr. and Mrs. Arthur L. Beasley have returned from a brief honeymoon trip following their secret marriage last week at San Jose. Both have many friends here to wish them much happiness. Mrs. Beasley was Miss Mildred Dooley, daughter of Mr. and Mrs. Marvin W. Dooley of East Sanel. Mr. Beasley is a local merchant and is the son of Mr. and Mrs. J. Beasley, formerly of East Hopland but now of Healdsburg.

Fred Abert, of Ukiah, motored to Hopland Wednesday evening for a brief visit with relatives and friends.

Mrs. Betty Duncan, of Willits, who has been visiting her sister, Mrs. C. H. Edwards in San Francisco prior to the latter's departure for Europe, was in Hopland last week-end as the guest of her sister, Mrs. Will Duncan. The family had a table for the dinner dance at the Pomo Inn Saturday night and Mrs. Duncan was greeted cordially by the many friends of her girlhood days.

MOTHER IS ILL

Mr. and Mrs. W. F. Ornbaun were in Cloverdale over the week-end to be with Mrs. J. S. Ornbaun, mother of Mr. Ornbaun, who is seriously ill.

WORK WEARING YOU OUT

Ukiah Folks Find a Bad Back a Heavy Handicap.

Is your work wearing you out? Are you tortured with throbbing backache—feel tired, weak and discouraged? Then look to your kidneys! Many occupations tend to weaken the kidneys. Constant backache, headaches, dizziness and rheumatic pains are the result. You suffer annoying bladder irregularities: feel nervous, irritable and worn out. Don't wait! Use Doan's Pills—a stimulant diuretic to the kidneys. Workers everywhere recommend Doan's. Here's a Ukiah case:

M. G. Scott, 422 Clara Ave., says: "Doing heavy work caused my kidneys to get out of order and I got down with kidney complaint. I had severe backaches, and my kidneys acted irregularly. I read of Doan's Pills and used them. Doan's put an end to the aches and pains and regulated my kidneys."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mr. Scott had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

YOUR BISCUITS ARE SURE TO BE LIGHTER— *if you use this guaranteed shortening*

Why? Because FLUFFO is an *aerated* shortening—whipped up like cream—with millions of tiny air spaces all through it.

That gives you two big advantages in all your baking:

First, FLUFFO is so creamy that it mixes easily and smoothly with the flour and other dry ingredients. It prevents lumpiness in the dough and insures even baking.

Second, The heat swells those air spaces during baking, and makes your biscuits light and fluffy.

And besides all this, FLUFFO comes to you in an air-tight can that absolutely protects it against those off-flavors that so often spoil the most carefully made biscuits.

So try FLUFFO under our guarantee. Subject it to any baking, frying or cooking test. If it fails to please you in any way, your grocer will refund the full purchase price.

FLUFFO BISCUITS

Mix 2 cups flour, 4 teaspoons baking powder, 1½ teaspoons salt. Sift twice. Work in 2 tablespoons Fluffo with tips of fingers, or cut in with two knives. Add ¾ cup milk (or milk and water) gradually, mixing with knife until soft dough is formed. Toss on floured board, pat and roll lightly to ½ inch thickness. Cut and bake in hot oven, 475° F., 10 to 15 minutes.
